Congratulations!

My sincerest congratulations to ALL the Gold and Silver winners of our second annual Alpine Sun Reader’s Poll for Best of Alpine & The Back Country. I consider many of you my friends and I love watching us work together as a community, come together when needed and encourage personal and business growth. We after all have collectively decided this is where to plant our roots, work and gather with friends and family. It shows. Alpine & the Back Country is a place like no other. It is truly an amazing town and region! Deciding to launch this reader’s poll last year was easy. Choosing to do it again was a no-brainer. I was excited to see if others shared my favorite places, services, people and of course great food and beer. Last year I tried new places. I gave unfrequented places another chance. In many cases I was pleasantly surprised. Alpine businesses are constantly evolving and upping the standard. Once, again I am falling in love with our little town all over. I encourage you all to do the same. Look this list over and listen to your neighbors. Try something new or revisit an old uncertainty. Do it often. We are constantly changing. We have lost places that were a piece of our heart, but we have also gained new gems. One thing always remains the same – Alpine and the Back Country is amazing! It is easy to get caught up in the daily grind and habits but let’s all explore a little more and have fun with this. We will all benefit.

On behalf of Claudia, myself and our whole Family Auto team, we want to say a sincere thank you to the community of Alpine for voting us as the #1 auto repair shop in Alpine and the surrounding communities! It is truly an honor that we do not take lightly. We cannot say enough in words to express our appreciation to everyone for your continued loyalty and trust over these past 15 years!

Since starting in business here in 2004 we have gone through some major changes. We have expanded to 4 locations in the last 15 years, with stores in La Mesa, La Jolla and Santee - BUT our favorite store has always been our Alpine location! Our Alpine team is truly top notch.

Alpine is where Claudia and I live, work, play and Worship. Our success has been based on the support of our friends, relatives and Alpine neighbors. We take that trust very seriously. We get to say hello to you at the grocery store, the soccer fields, the annual Easter egg hunt, the parades, the community fundraisers and the many other events throughout the year. This is our home, and we are proud to call it that.

We have been members of the Alpine and Mountain Empire Chamber of Commerce for all 15 years in business. We have attended Bethel Christian Fellowship for the entire 15 years of living here in the Alpine community as well. I have served as a youth leader, Sunday school teacher, Board member – and many other roles there. Claudia has supported the women’s ministries in many ways as well. We are members of the Kiwanians, we support the local Youth Center, and we support many of the sports teams throughout East County.

Supporting local businesses, and the community, has always been important to us. And we appreciate you for doing the same.

Thank you, again, and May God Bless You the Way That He Has Me!

DID YOU KNOW?

1888 - Benjamin R. Arnold, a wealthy ivory importer, arrived in Alpine seeking a climate to relieve his asthma symptoms. He built a large house, a hotel, a school, the Town Hall (now the Alpine Woman’s Club), the Parsonage (now a retirement home) and donated the land for the Alpine Cemetery on West Victoria Drive. Mr. Arnold transformed a stagecoach stop with 35 families into a permanent town.

DID YOU KNOW?

1969 - Interstate 8 opened. With public water and a highway, Alpine began to grow and prosper.

Gruelle, already a famous artist when he came to Alpine in 1957, bought a place at the crook in the road on Lilac Lane. His brother, Johnny, was the creator of the enormously popular Raggedy Ann rag doll with shoe-button eyes and red hair. Both brothers wrote and illustrated the Raggedy Ann and Andy books. When Johnny died, Justin finished the book they were working on and then let the rag doll characters slip into fond immortality. For the Queen of Angels church in Alpine, he painted 14 Stations of the Cross. He did portraits of well-known figures such as Admiral Fleet, Charles Lindberg and the Wright brothers.
