NOTICE OF CONSTRUCTION CONVERSION OF 230 KV TRANSMISSION LINE AT SUNCREST DYNAMIC REACTIVE POWER SUPPORT FACILITY TO UNDERGROUND PURSUANT TO WILDFIRE MITIGATION PLAN

Horizon West Transmission, LLC Advice Letter 5-E
Project Description: Pursuant to Section XI.B.4 of General Order ("GO") 131-D of the California Public Utilities Commission ("CPUC"), Horizon West Transmission, LLC (U222-E) ("Horizon West") hereby provides notice of construction of a 230 kV transmission line that will be converted from an existing 230 kV overhead transmission line. The 230 kV underground conversion is a wildfire risk mitigation measure at Horizon West's Suncrest Dynamic Reactive Power Support Facility ("Suncrest Facility") located near the town of Alpine in San Diego County, California. Horizon West will convert one approximately 115-foot 230 kV overhead transmission line to underground. That short overhead segment interconnects directly with the Suncrest Substation. Horizon West will place the SVC into outage to take the overhead line out of service. Horizon West will remove the existing riser pole and intermediate pole, and install a new riser pole downslope at the former location of the intermediate pole/point of change of ownership. Horizon West will create safe working access through implementing its grading plan design to allow excavation of a trench on the hill. After intercepting the existing underground conduit on Upper Bell Bluff Truck Trail, a new segment of underground cable (identical to the existing) will be installed in the underground duct bank alignment ending at the new riser pole. The underground cable will transition to overhead at the riser pole; the point of change of ownership will not change. After testing and commissioning, another outage would be taken to place the entire 230 kV underground line and SVC Facility back in-service. The proposed point of interconnection work area is 1.03 acres. However, ground disturbance (grading and excavation) within that work area is estimated at 0.85 acres and will be restored following Project implementation. Construction is scheduled to begin as soon as practicable, or as soon as 45-days after publication of notice of construction in a newspaper of general circulation in San Diego County. Construction will be completed in the first half of 2021, or as soon as possible after construction begins.

Electric and Magnetic Fields ("EMF"): Horizon West will comply with its Magnetic Field Management Plan for the Suncrest Facility, as approved by the CPUC in Decision ("D.") 18-09-030 (at 36-37), which provides for the implementation of no-cost and low-cost EMF mitigation measures in accordance with D.06-01-042. This includes the "[a]rrangement of the 230 kV transmission line in a triangular configuration, and installation of the transmission line at a minimum of 36 inches below grade where practicable..." (See D.18-09-030 at 37.)

Additional Project Information: For additional information, please call Horizon West at (888) 512-2446, or please visit www.horizonwesttransmission.com/regulatory.html
Public Review Process: Individuals or groups may protest the underground conversion if they believe that Horizon West has incorrectly applied the exemption in GO 131-D, Section III.A. Protests should include the following:

1. Your name, mailing address, and daytime telephone number;
2. Reference to the Advice Letter Number and Horizon West's proposed undergrounding;
3. A clear description of the reason for the protest; and
4. Whether you believe that evidentiary hearings are necessary to resolve factual disputes.

Protests must be filed by August 12, 2020 at the following address:

Horizon West must respond within five business days of receipt and serve its response on each protestant and the Energy Division. Within 30 days after Horizon West has submitted its response, the CPUC Executive Director or will send you a copy of an Executive Resolution granting or denying Horizon West's request and stating the reasons for the decision.
Assistance in Filing a Protest: If you need assistance in filing a protest, contact the CPUC Public Advisor: email: public.advisor@cpuc.ca.gov or call: 1-866-849-8390 (toll-free), or (415) 703-2074, or TTY (415) 703-5258.
