CASE NO.
26PE000074C

To all heirs, beneficiaries, creditors, contingent creditors and persons who may otherwise be interested in the will or estate, or both, of: JAYNE MARIE TRCKA.

A Petition for Probate has been filed by: CHAD MICHAEL VAN PELT in the Superior Court of California, County of San Diego. The Petition for Probate requests that CHAD MICHAEL VAN PELT be appointed as

Legal Notices-ALPINE

personal representative to administer the estate of the decedent. The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows:

FEBRUARY 24, 2026
10:00 a.m. Dept. 504
1100 Union Street
San Diego, CA 92101

Court appearances may be made either in person or virtually, unless otherwise ordered by the Court. Virtual appearances may be made using the department's Microsoft Teams ("MS Teams") video link; or by calling the department's MS Teams conference phone number and using the assigned conference ID number. The MS Teams video conference links and phone numbers can be found at www.sdccourt.ca.gov/ProbateHearings.

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

If you are a creditor or a contingent creditor of the decedent you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special

ESOTERIC ASTROLOGY AS NEWS FOR WEEK JANUARY 21 - 27, 2026

SUN ENTERS AQUARIUS - WATERS OF LIFE FOR THIRSTY HUMANITY

Aquarius - "Waters of Life Poured Forth For Thirsty Humanity." These words esoterically define the sign Aquarius. They are the inner spiritual essence of Aquarius. The waters are energies from the heavens, the new energies of the new era streaming into Earth. They are the energies of freedom and the changes to come. As the energies always come into earth in right timing, these energies are also soothing, comforting, directing-and-serving-humanity energies. Aquarian energies help humanity build the new culture and civilization and to imagine a future where there is peace and prosperity enough to be fully creative.

Aquarius is the eleventh sign after Aries. It is a fixed (stabilizing) air sign on the Fixed Cross (Fixed Cross - signs Taurus, Scorpio, Leo and Aquarius).

Fixed signs bring ideas (created by the Cardinal Cross signs Aries, Cancer, Libra, Capricorn) into form and matter, stabilizing them. Air signs (Gemini, Libra and Aquarius) are mental. They think and ponder, study and research, gather and distribute information previously created and stabilized by the cardinal and fixed signs. For air signs, education and learning are most important along with being social, communicating, writing, tending to money, participating in groups and creating sustainable communities.

Humanity is Aquarius and we have (our Sun has) entered the beginnings of the Age of Aquarius. In the next two thousand years, organized and influenced by the sign Aquarius, the collective human purpose for life here on Earth will be revealed. Aquarius is becoming the overriding astrological influence that will drive all of humanity's endeavors.

Signs work in polarities. Therefore when we speak of Aquarius, we must also include Leo, the sign opposite

Aquarius. Leo is the shadow aspect of Aquarius. Aquarius brings forth science, technology and the gifts of truth and the concrete mind (Ray 5). These are the tools that inform the Aquarius Age in the building of humanity's future. This has already begun. Computer technology is the product of the science of Aquarius. Laser light therapy, energetic medicines, homeopaths and the flower remedies are results of the higher mind accessed through the Aquarian influence.

And so the 11th Gate has opened. And Hercules (humanity) is tasked with cleansing the world from darkness, misalignments, untruths, corruption and greed. And to bring forth Goodwill. (to be continued)

ARIES: You're exploring profoundly what your right work in the world may be, what you are to do that will serve the upliftment of humanity, the culture and civilization and bring you to the recognition needed so that others follow. Continue this internal inquiry. Answers will appear slowly and in right timing, over weeks and months. These are the right questions disciples are asking. Knowing the crisis in our world. As you focus on the questions, your name is called.

TAURUS: New ideas, concepts, a school, a college, study, traveling, the art of archery, horseback riding or horse husbandry, publishing, and studying ancient philosophies - all may catch your attention. Someone, somewhere recognizes your qualities, calls you to leadership, a skill you are cultivating. Deep focused listening is the best way of being attentive. When asked questions, answer from the heart. Offering philosophical, anonymous, abstract answers are not useful, heard or understood.

GEMINI: There are questions and a

focus on money and investments. In this critical time of change and monetary reorientation I want to suggest how you can keep abreast of the financial times. Read the book The Great Taking by D.R. Webb. Study the history of the Federal Reserve. They create an exceptional understanding of the economic situation then and now and worldwide. Ponder on what you learn then share your knowledge with partners and friends. Gemini is to gather information and disperse it as the need arises.

CANCER: Relationships and interactions this month will be on your mind - all types and levels of closeness, friendships and intimacies. It's good to review what you offer in relationships, if you are attentive, caring, nurturing and sharing? Or are you focused upon your thoughts, opinions and yourself primarily? These days Jupiter is in Cancer, offering you a new sense of self-identity, an expansion of who you might want to be. It's also adding a new level of love for self and others. The cultivation of love is the purpose of our present solar system. Did you know that?

LEO: There is a focus on daily life encounters, on service, on small animals, health and your environment. Something shifts at work, some discipline or rule or structure or timing causing a period of fine-tuning to occur. Relations are deeply important, as are friends. During this time strengthen your support for others, align with them. This will insure your success should you suddenly find yourself in charge of everything and everyone and their well-being.

VRIGO: You must begin to rest, relax, be more playful and lounge around a bit more, thinking of ways where pleasure and fun come first and perhaps a bit of romance (there are

many kinds). Plan each week to attend theatre, dance, musical or film events. Stroll downtown with friends, have lunches and dinners, little parties, tête-à-têtes, and create perhaps a small salon. Art is most important. Who are your favorite artists? Where is the closest museum? Are you planning your summer garden yet?

LIBRA: These are times of reconciliation and reunions with family, a time of understanding and rapprochement, of kindness, consideration, and thoughtful and perceptive realizations that each of us (including you) is a character in a drama, a play, everyone's doing their very best, everyone striving, everyone developing their gifts, and everyone's on their path toward a more enlightened way of being. Is there some sort of suffering or sadness in your life at this time? Is there an estrangement or a withdrawal? Is there sorrow? Let's pray together.

SCORPIO: Are you feeling edgy, agitated, irritated and restive? Perhaps restless with somewhat anxious feelings including a wanting to go anywhere that is not here? And there's nowhere really to go? There is some sense of impatience and oversensitivity. Remembering and visiting the past - friends, family, siblings, schools and everything from early childhood. Are there people that need to be contacted? Do you need to go home again? Unearth boxes of childhood memories. To bring remembrances to a close?

SAGITTARIUS: The heavens are resting deeply in your house of resources, values and finances. Read Gemini. Then shop around for a financial investor for information on finances and precious metals. Because most of the planets are influencing your money, finances and resources,

your values may be changing to reflect the outer economic world. You will need to transform how you've handled yourself in these areas. Are you generous or challenged to be generous? Do you maintain a budget and balance monetary ins and outs? What are your present worries regarding money?

CAPRICORN: Every once in a while others truly notice you, offering praise for work and jobs well done. Offering recognition for the help, concerns, presence and nurturing you quietly go about doing. They notice the care you take in helping others. Capricorns are the responsible ones, the parents of humanity. Their self-identity is in seeing the needs and responding to the needs. They are leaders. They have compassion and courage, will and purpose. The Hierarchy shines down upon them. They open the gates to heaven. We salute them.

AQUARIUS: Aquarians, after they've built their personality (self-development, self-focus, a needed developmental stage for everyone), eventually begin to see outward, onto humanity and become the friend to everyone. It is at this moment when they see humanity is suffering that Aquarians begin to seek to serve. It is perhaps that time for you - to help others, to see their needs, to offer support and resources, time and money, care and attention. You too become one who receives. You follow Capricorn.

PISCES: It's important to be part of a group (spiritual group is best). It's important to not be isolated and no longer to be a hermit. You need a balance of being in retreat and in solitude and also being out and about and social. Being social is sometimes difficult for Pisces. The fish is sensitive to the needs of others, often absorbing those needs. Then they must rest. Pisces know that "love underlies the happenings of the times and all events." Love happens to be the nature of Pisces, too. That is their purity, their essence. That is how they save the world.
